MESSAGE FROM THE PRINCIPAL

EXTRA MURALS

Extra mural activities begin today. Please check your timetable so that you know what time your child finishes and ensure that your child is collected on time and not left unsupervised in the afternoon. Please be aware that some activities do not have supervision after the finishing time.

CANCELLED ACTIVITIES

Please note that, in general, **all extra-mural activities or sports** that are unable to proceed due to inclement weather will be supervised by the relevant educator/coach until the scheduled end of the activity and parents may fetch their son/daughter at the usual time. Should a **sports match or gala** be cancelled, a d6 Alert will be sent out to all parents. Children should then be fetched at the end of the school day.

NB: Extra mural swimming also starts this week, and class swimming for PE will start in the week of the 2nd October.

SPORTS PHOTOGRAPHS

Photos will be taken on Tuesday 12 September. All children are to bring their black PE shorts and white Crossroads School t-shirts and takkies. Soccer children to wear WHITE socks.

ENTREPRENEURSHIP GRADE 4s TO 7s.

Please download the policy if you wish to encourage your child's skills in this area. The policy can be found on the d6, under RESOURCES, POLICIES. Young entrepreneurs need to obtain a license on a Thursday prior to selling after school on the Friday. Parental support is needed for this.

IMPORTANT NOTICES

METHOD OF PAYMENT and/or NOTICE TO LEAVE - 2018

Please remember to return the Method of Payment Forms urgently to ensure your child's place at Crossroads for next year.

Alternatively, should your child be leaving Crossroads at the end of this year, a term's notice of this is needed in writing. Failure to give the appropriate notice will incur payment of fees in lieu of the notice period. **Please note that, even if it is our recommendation that your child can be mainstreamed, we still require your confirmation in writing that he/she will be leaving.**

CEA INFORMATION

This week we will be combining the concepts of SELF REGULATION and PLANNING i.e. in order to use effective planning, we need to think about the goal decide on the steps and then correct order for reaching that goal and make changes to the plan if necessary. Impulsive learners seldom engage in PLANNING behaviour unless SELF REGULATION is also employed.

Look for times to compliment your child on the use of these: **STAR**
