MESSAGE FROM THE PRINCIPAL

We have reached the final four weeks of school. We are still busy teaching, consolidating, establishing concepts and learning. Those children who take medication still need this for optimal concentration. Please reinforce the message that each child must continue to give of their best, right up to the last day of school.

Thank you all for your attendance at the Art Exhibition and PTA Movie Evening last Thursday. It was a lovely evening and we were once again treated to a wonderful array of art of an amazingly high standard. We really are lucky to have Mrs Clifton on our staff as she manages to inspire the children to produce very vibrant art work; I thank her for her dedication to her teaching and for organising such a wonderful Annual Art Exhibition.

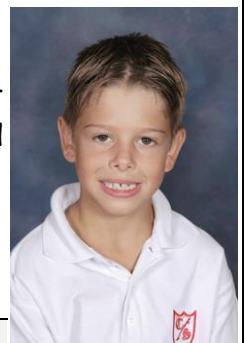

The movie evening also went off well, despite uncertain weather earlier in the day. It was lovely to see so many families enjoying their time together. Thank you to the PTA, Staff and Anne Saunders for ensuring that this event ran smoothly - and that everyone was well fed!! Thanks for the support and participation of our parent body.

The PTA Ladies who run the 2nd Hand Uniform shop are appealing to parents who may have good quality uniforms that their children have outgrown to kindly donate them to the school. We have the Orientation Day for new enrolments on the 21 November, and they would like to restock the shop prior to this event so that new parents can buy uniforms. We would also appreciate donations of coat hangers. All donations may be sent to the school office.

Cricket

Our Ter Horst team played a friendly match against Orban last week. They gave of their best and displayed good sportsmanship.

Man of the Match: Jayden Uphof.

INNER MEANING and GOAL ORIENTATION

This week we will be combining the Tools of Inner Meaning and Goal Orientation i.e. if we seek deep, personal value in learning experiences and combine this with consistently setting, seeking and reaching personal goals, then we will be successful in everything we set out to achieve.

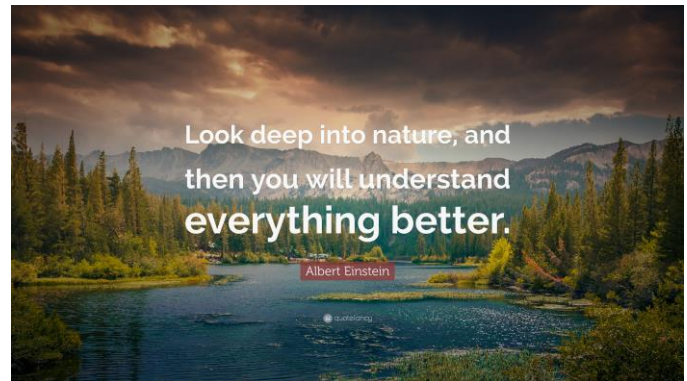

For more information regarding the CEA Blocks and Tools, please look on the D6, "Resources".
