There was great excitement on Monday 15th as our boys prepared for their first match of the season. The Ter Horst team played away at Sparrow School, and won the match.

Congratulations to the team, and especially to Jake Wolf, the Man of the Match. Adam Haselau captained the team.

CEA INFORMATION

Last week and this week we revise combining the Tool of SHARING BEHAVIOUR with the Building Block of PROBLEM IDENTIFICATION i.e. in collaborative learning (working together). If there is a difficulty between participants it is essential to be able to IDENTIFY the PROBLEM in order to arrive at the effective solution to improve the SHARING BEHAVIOUR.

Ask questions to make sure you understand each other clearly:

- Please tell me more about _____.
- What does _____ mean to you?
- ... and you think that because _____?
- Why do you think _____?
