#### UMALUSI SITE VISIT - 1 AUGUST 2018

Umalusi accredits private Educational Providers which includes Independent schools. The aim of the site visit is to verify the information provided as part of the Self-Evaluation report. We have successfully completed the first phase of the process and a subsequent site visit has been booked for Wednesday the 1<sup>st</sup> of August. As part of the visit, the evaluators will conduct focus groups with staff and learners.

**Last week indemnity forms were sent out to all parents to provide permission for their child, if chosen, to participate in the focus groups. Please could these forms be signed and returned to school by the 18<sup>th</sup> July.**

#### IEP MEETINGS

IEP Meetings are in full swing this week. Please note that therapies will be interrupted as all therapists and psychologists are involved in different teams. Therapy will continue as usual where possible. It would be appreciated if parents could adhere to their time slots as the schedule is very tight due to meetings running concurrently. Please present yourselves to the office just prior to your allocated time, and you will be directed to the correct venue.

### CEA INFORMATION

The last tool for Understanding Feelings within the Learning Experience is the **FEELING OF COMPETENCE**.

- Encourage your child to be aware of secure and insecure feelings about their ability to learn and do something effectively.
- Give your child descriptive feedback for a job well done instead of isolated praise - instead of saying "Great job!" , say "I really like the way you systematically gather all the information for (your project)!"
- Before a learning experience ends, show some kind of success, no matter how small.

**For more information regarding the CEA Blocks and Tools, please look on the D6, "Resources".**
