### MESSAGE FROM THE PRINCIPAL

Thank you all for your attendance at the Art Exhibition and PTA Movie Evening last Thursday. It was a lovely evening and we were once again treated to a wonderful array of art of an amazingly high standard. We really are lucky to have Mrs Clifton on our staff as she manages to inspire the children to produce very vibrant art work. I thank her for her dedication to her teaching and for organising such a wonderful Annual Art Exhibition.

The movie evening also went off well. It was lovely to see so many families enjoying their time together. Thank you to the PTA, Staff and Anne Saunders for ensuring that this event ran smoothly - and that everyone was well fed!! Thanks for the support and participation of our parent body.

#### 2019

Thank you to those parents who have been in contact with the school to inform us that their children will either be returning next year or giving notice that they will be leaving at the end of this year. This greatly assists us in planning for 2019. Please could all outstanding Method of Payment forms be returned urgently to ensure placement for 2019.

#### SPORTS DAY

The winners will be announced at Sports Assemblies as follows:

Grade 4 - 7 on Friday 5 October at 12:40.

Grade 0 - 3 on Monday 8 October at 07:50.

Certificates will be awarded and parents of the recipients will be notified via sms and are welcome to attend.

#### SCHOOL MAGAZINE

We appeal to each parent to please assist us with this project because the school magazine will always be part of your child's history and will be fondly revisited. Each child will be featured, and each child will receive a magazine. All children enrolled at the school prior to the 1<sup>st</sup> October are featured in the magazine.

Please contact Anne Saunders in the school office for information on adverts and costs or refer to previous Newsletters.

## CEA INFORMATION

We will be looking at the combination of SHARING BEHAVIOUR and PRECISION AND ACCURACY i.e. when working together in groups by using the Tool of SHARING BEHAVIOUR and the Building Block of PRECISION AND ACCURACY. We can become highly effective interdependent learners and also avoid misunderstandings.

At home we can use PRECISION AND ACCURACY to improve better communication between family members. Making sure that everybody listens to, and understands a conversation will improve our SHARING behaviour as we will have a better view of the feelings of other family members.

**For more information regarding the CEA Blocks and Tools, please look on the D6, "Resources".**
