NEWS OF A FORMER LEARNER

After finishing Grade 7 at Crossroads in 2013, Robyn Kotschy moved to Cedarwood College. She discovered her love for and talent in working with young children. She has just completed an NQF Level 4 course in Early Childhood Development through the school. This allowed her to get more than 16 weeks of experience in many different nursery schools, with children ranging from 18 months to 6 years, and qualifies her to work as a teaching assistant. She excelled in the practical work and was awarded several certificates for "Best in Work Experience" and "Best Portfolio of Evidence".

Robyn plans to continue her studies in Early Childhood Development part-time while earning some money as an Office Administrator this year. I am so proud of her achievements, and really want to thank both Crossroads and Cedarwood for the fantastic support and encouragement which helped her to get here! You are making such a difference to childrens' lives - just as I hope Robyn will do herself in the years to come!
