MESSAGE FROM THE PRINCIAL

SCHOLASTIC TESTING

Assessments started last week and will continue until the 17th May. Please note that therapies will be interrupted during this time. Children who wear reading glasses must remember to bring them; children who are on medication should continue to receive their correct daily dosage.

GENERAL

EXTRA-MURALS

All afternoon activities commence this week. Please note that it is of paramount importance that children are collected after their activity and not left unsupervised. Although our security guard is on gate duty, he is employed to guard the premises and not to supervise or care for children. It is therefore a matter of security that children are collected timeously each day. The extra-mural timetable has been posted to the d6 for your convenience. Please contact Joanne Harrison should you need to make Aftercare arrangements: 082 336 8768.

Extra-mural activities/sports that are unable to proceed due to inclement weather will be supervised by the relevant teacher/coach until the scheduled end of the activity. Parents should fetch their child at the usual time that the activity would end.

Should a sports **match** be cancelled, an Alert will be placed on the d6 Communicator. Children should then be fetched at the end of the school day.

OUTREACH

This term there will be 3 outreach initiatives that we would love all members of the Crossroads community to participate in. They are:

- Collection of non-perishable foodstuffs 13 - 24 May
Tinned goods, soup and stock powders, rice, pasta and oil are examples of what we are hoping to receive. All goods will be donated to a worthy cause, be it a school feeding scheme, a soup kitchen or a home for underprivileged children.
- Collection of blankets and jackets 3 - 7 June
New or previously-loved items in a good condition will be most

welcome. All items will be distributed to those less privileged than ourselves.

- Pyjama Day 7 August
Children and staff are encouraged to come to school in their pyjamas and slippers. We are asking for a donation of R10.00 or more. All money collected will be handed over to CHOC - the Childhood Cancer Foundation.

Children will receive points for their houses (Mars, Pluto or Venus). These points go towards the final spirit cup awarded to the winning house at the end of the year.

Thank you for your ongoing support. Last term, the Valentine's chocolates were distributed to the elderly and the books we collected were handed over to Tsepho Themba Disability Centre.

HOUSE POINTS collected for outreach and the gala as of the end of term one:

	MARS	PLUTO	VENUS
Interhouse Gala	154	150	221
Valentines chocolates	64	67	71
Outreach books	138	191	129

CEA INFORMATION

During this term, starting next week, we are going to explore the **Building Blocks** for Making Meaning of an Experience and the **Tools** for Understanding Feelings within the learning experience.

Each block and tool will be explained weekly, as well as relevant ways that parents can use them at home.

For more information regarding the CEA Blocks and Tools, please look on the D6, "Resources"

Self-Regulated Learning

- "Self-regulation is the ability to monitor and control our own behavior, emotions, or thoughts, altering them in accordance with the demands of the situation."
