### CORE VALUE SELF-WORTH

I am unique

I am special

I am different

I am important

I am me

### MESSAGE FROM THE PRINCIPAL

We extend a very warm welcome to Bryce Rodrigues, who takes over the grade 6B class after finishing his teaching stint in South Korea. Thank you to Karin Stander for standing in since the beginning of the year.

**PHOTO ORDERS** have been given out to all children. Payment may either be made by sending in the correct amount of cash, in a clearly marked, sealed envelope, or by way of EFT to the photographer.

### WORLD WILD LIFE DAY

We thank parents, children and staff for their generous donations for our World Wildlife Day outreach initiative. We are thrilled to announce that we collected R8861, which will be given to the Rhino Orphanage.

### SOAP BOX DERBY - Thursday 14 March

An information sheet regarding an overview of the soap box derby was sent out via child mail on Wednesday February 20<sup>th</sup>, and sponsorship, consent and food pre-order forms were given out last week.

If you did not receive these or require additional information, please contact your class

representative or the school office. We encourage parents to support this worthy Crossroads PTA initiative and make it a great success!

**All forms are to be returned to the class teachers by Friday 9 March. Please include the correct amount of money with the food orders.**

### SWIMMING HEATS

The swimming heats take place on Thursday 7th March during school hours. All children will swim at least one race so please ensure that your child brings a costume, swimming cap, towel, sun cream, flip-flops and sunhat. Parents are not invited to the heats.

### INTER-HOUSE GALA

The Inter-house Gala takes place on Wednesday 20th March and parents are invited and encouraged to attend this event. More details will be available closer to the time, but please diarise this date in the meantime.

This is a strong reminder that it is a school policy that caps or hats must be worn at break and to all outside extramurals

### CEA INFORMATION

This week we revise the blocks and tools covered so far this term. If we use SELF-REGULATION when we approach all tasks it will enable us to carefully EXPLORE a task or activity so that we are sure about every detail expected before we start; to plan the activity carefully and then to EXPRESS ourselves (in writing, orally or actions) successfully.

*Please note that more information regarding the use of these Tools and Blocks are available on the D6 Communicator - Resource.*
