MESSAGE FROM THE PRINCIPAL

SCHOLASTIC TESTING

Assessments started last week and will continue until the 19th May. Please ensure that, to the best of your ability, your child is not absent and does not have late nights during this period as it may negatively affect their results. Children who wear reading glasses must remember to bring them; children who are on medication should continue to receive their correct daily dosage. Please note that therapies will be interrupted during this time.

GENERAL

EXTRA-MURALS

All afternoon activities commence this week. Please note that it is of paramount importance that children are collected after their activity and not left unsupervised. Although our security guard is on gate duty, he is employed to guard the premises and not to supervise or care for children. It is therefore a matter of security that children are collected timeously each day. The extra-mural timetable has been posted to the d6 for your convenience. Please contact Joanne Harrison should you need to make Aftercare arrangements: 082 336 8768.

Extra-mural activities/sports that are unable to proceed due to inclement weather will be supervised by the relevant teacher/coach until the scheduled end of the activity. Parents should fetch their child at the usual time that the activity would end.

Should a **sports match** be cancelled, an Alert will be placed on the d6 Communicator. Children should then be fetched at the end of the school day.

The soccer season is in full swing and our players are extremely excited and motivated. If your child has been selected to play in a match, he/she will bring home a letter informing you of this prior to the match day. The d6 should be checked regularly for changes to matches.

Please ensure that all indemnity forms are returned prior to matches. The soccer uniform is the Crossroads white T-shirt, black shorts and long white socks. Shin pads are compulsory for all soccer matches. Good luck to our teams!

Outreach

We are collecting non-perishable foodstuffs until the 11th May in support of our Outreach programme. With the help of Kindness Like Confetti, we will donate these goods to a school feeding scheme. Please send donations to the office or Mrs Reid's class.

OUTREACH COLLECTION REMINDERS

Bread Tags

Please send Bread Tags to the office for collection. 200 kg of tags buys one wheelchair.

My School Card

We thank all parents and staff for using their MySchool Cards. We are happy to inform you that we raised R5290.12 in March. Please remember to continue to use your cards at supporting shops so that funds can be generated for the school.

Cartridge Recycling

Cartridge recycling is a sustainable way to reduce your community's carbon footprint. In association with the MySchool project we collect empty printer cartridges on an ongoing basis for recycling. Please bring all used cartridges to the office and help raise funds for our school.
