TAX LETTERS

All uncollected 2018 Tax letters have been distributed by child mail.

MESSAGE FROM THE PRINCIPAL

Class Placement 2019

In order to place children for next year, we will be asking each child to name three children who they would like as classmates. Whilst we can't guarantee your child will be with all three of these friends, we will try for your child to have at least one of the children they indicated as a friend within the class for next year. The staff considers the overall dynamics of the current class. Teacher/learner and learner/learner fit, as well as teacher/therapist recommendations are all factors taken into consideration. This process is currently underway. We would like to reassure parents that, as always, class placements are done with the best interest of each learner in mind.

SPORT

We wish our swimming and cricket teams all the best for their fixtures this season. The first swimming gala takes place on Friday 12 October at La Salle, and the first cricket match on Monday 15 October against Delta Park School.

Please ensure that full kit is brought to school on gala and match days:

Swimming: Black swimming costume, towel, navy blue swimming cap.

Cricket: Crossroads T-Shirt, white shorts and long white socks. **No** long white pants. Please bring hats and sun cream and a bottle of water.

Learners will receive a cricket notification letter at the practice prior to the match for the following week. All matches are played on Mondays. **Please read the information carefully as match fixtures can change at short notice.**

The teacher in charge of Ter Horst (grades 3 and 4) is Mrs Yasmien Gani (yasmien@crossroadsschool.co.za) and Commonwealth (grades 5-7) is Mrs Padayachee (michellep@crossroadsschool.co.za). Learners must please let these teachers know as soon as possible if they are not able to play. It is advisable for players who have not been selected to bring their kit anyway so that in the event that someone is ill they will be able to replace them.

Mrs Jacobs (joane@crossroadsschool.co.za) is the teacher-in-charge of Galas, and all inquiries should be directed to her.

Please note that should a cricket match or gala be cancelled due to inclement weather an **ALERT** will be posted on the d6. Children should then be fetched at the end of the school day.

CEA INFORMATION

Once again we are combining two Building Blocks: **SPACE** and **TIME** with **PRECISION** and **ACCURACY** i.e. by being precise and accurate, we will learn to have a better understanding of time and space concepts in our daily living skills.

For more information regarding the CEA Blocks and Tools, please look on the D6, "Resources".
